ACTING

At the Film & TV Academy, our acting classes are meticulously designed to unlock the potential of young performers, ranging from the age of 8 to 18.

Through our weekly classes, students embark on a comprehensive journey into the world of acting, guided by industry professionals with a wealth of experience in screen acting.

The teachers believe in practical learning, ensuring that students not only understand the theoretical aspects of acting but also gain valuable on-camera experience. This hands-on approach is fundamental to developing confidence, expressiveness, and a nuanced understanding of character development and storytelling.

In addition to skill development, we place a strong emphasis on personal growth and teamwork. Our classes are designed to foster an environment of support and collaboration, encouraging students to work together on projects and performances. Through real-world experiences, we aim to inspire and motivate our students

This approach not only enhances their acting skills but also builds important life skills such as communication, empathy, and resilience. By creating a positive and inclusive atmosphere, we help students to feel confident in their abilities and comfortable in expressing their creativity.

Special workshops and guest lectures from accomplished actors and directors further enrich the students' learning experience, providing unique insights into the realities of the profession.

FILMMAKING

Under the guidance of seasoned professionals with extensive backgrounds in the Film & TV industry, students are introduced to the intricacies of filmmaking, from pre-production planning to post-production editing.

Our lessons are designed to foster creativity, technical skills, and a deep appreciation for the storytelling process, ensuring that students gain a comprehensive understanding of what it takes to bring a film from concept to screen.

Our hands-on approach to learning encourages students to take on various roles within a film production, including directing, cinematography, scriptwriting, and editing.

This experiential learning model allows students to understand the collaborative nature of filmmaking, highlighting the importance of each role in the creation of a final piece. The academy's state-of-the-art equipment provide students with the tools they need to experiment with their ideas and visions, bridging the gap between amateur and professional filmmaking.

Through this comprehensive education in filmmaking, we aim to equip our students with the knowledge, skills, and confidence to pursue their passion for film and television, whether they aspire to be the next great director, cinematographer, screenwriter or actor. Soon, the Film & TV Academy aims to be recognised in the industry as proficient training.

CINEMA SCREENING

The annual ODEON Cinema Screening & Awards Ceremony is a hallmark event at the Film & TV Academy, celebrating the remarkable achievements of our students in both acting and filmmaking.

This prestigious occasion, held at a renowned ODEON cinema, showcases the talent and hard work of young creatives, providing them with a professional platform to present their projects to an audience that includes peers, family, industry professionals, and the general public.

The event is not only a testament to the students' dedication and creativity but also a significant milestone in their artistic journey.
